09:00 - 09:15	Welcome <i>Vivienne van de Walle, MD, PhD, CPI</i> Director & Owner, <i>PT&R (The Netherlands)</i> Sponsored by <i>StudyKik</i>
09:15 - 09:55	The Patient's Voice Clinical research has long been identified as the most important vehicle to deliver change to the medical community; however, without the definitive presence of the patient's voice, this research falls flat. Hear the powerful story of how one mother addressed her frustrations in watching her son's needs and voice ignored, and what she did to make the clinical research industry listen. <i>Elizabeth Vroom</i> Director, <i>Duchenne Parent Project (The Netherlands)</i>
09:55 - 10:55	The Site Landscape: Benchmark Your Site Set the stage for your Summit experience! Keep your finger on the pulse of clinical research with SCRS president, Christine Pierre, as she shares fresh insight into evolving industry trends and metrics that will position your site for success. <i>Christine Pierre</i> President, <i>Society for Clinical Research Sites (USA)</i>
10:55 - 11:25	Networking Break
11:25 - 12:15	From the Front Line: Choose the Right Studies for Your Site Eighty percent of patients come from twenty percent of all sites. How can this be? Sites continue to be plagued by selecting the wrong studies for their site. Turn study selection into an opportunity for your site to stand out in your areas of expertise! Learn from experienced investigators from around the globe as they share their insights into study selection to ensure that you don't become part of the eighty percent of non-enrolling sites. <i>Steven Geller, MD</i> Medical Director, <i>Centennial Medical Group & RxTrials (USA)</i> <i>Martin Gibson, MD, PhD, MB ChB, FRCP</i> CEO, <i>Northwest EHealth (UK)</i> <i>Sergii Myronenko, MD</i> CEO, <i>PharmaSich (Ukraine)</i>
12:15 - 12:50	Site Patient Recruitment Innovation AwardSM (SPRIA) Presentations This coveted award comes to the EU Summit to recognize innovative strategies used by sites to achieve enrollment success. Emphasis will be placed on innovative, unique, and effective patient-directed initiatives that take the patient's perspective on participation into account.
12:50 - 14:15	Lunch
